BRANDING

BRAND STATEMENT: Biriyani Kitchen brings all the different tastes of the Indian cuisine under one roof. Using the ingredients, it provides a wide variety of meals refreshments; respecting both vegetarian and non-vegetarian diets. Culture is our strongest lead to our history and identity. One of the pillars that's holds a culture steadfast from generation to generation is the process of preparing food. Biriyani is an Indian cuisine made of rice, spices, meat, vegetables, and eggs, Created by the Persian dwellers of the Indian Sub-continent of Hyderabad, in the 1500s, its recipes have been passed down from generation so, it can still be enjoyed today. Biriyani Kitchen holds the secrets to the undiluted taste of this ciusine. The restaurant provides a refreshing experience to its customers, giving them a wide range of dishes and drinks to choose from.
