

## Report on Library Orientation Program – 2019 (Learning Resource Centre)

Aug 31, 2019

The Library Orientation Program was conducted for the first year students of Engineering. The orientation program aimed to sensitize the students about Library resources, facilities, services, rules and regulations for effective use and excellence in learning.

The Orientation program was integrated with structured presentation, demonstration of e-resources and Library tour. The Library Orientation Program started from 16th August 2019 to 29<sup>th</sup> August 2019. Each session was split into three parts. In the first part of the session Dr. R Takappa, Librarian presented the students different types of documents, Books, Journals and other learning print and e-resources, facilities, rules and regulations regarding books borrowing and other services as an introductory talk and also some of the sessions handled by Mr. Chimmoji Ramachandra, Chief Librarian I/c.

In second part of the session Demo Mr. S U Shiva Kumara, Librarian explained in detail the most important resources linked to Library Website, e-journals under consortia, Institutional Repositories and Remote Access facility.

In third part of the session Library Tour coordinated by Mrs. Chikkalakshamma, Librarian. In all over 594 Students in 12 batches participated.

Orientation program organized in different batches was a great success with enthusiastic participation and interaction by the Students. The impact of the program has resulted in increased usage and visitors to the Learning Resource Center (Central Library). The Coordinator, First Year Students and designated Faculty coordinators' support was very good and all students co-operated well with sincerity, discipline and decorum.
