

EXECUTIVE SUMMARY

Internship can be defined as “A job taken by a student in order to learn a profession or trade.” It was a good learning experience to work as intern in an organization. It helps me to understand the real-world scenarios and ample of opportunities to apply my theoretical knowledge learnt in classroom to practical problem. My focus area in this period is mainly in to effective management of NPA. So,it was a good opportunity to understand the priority sector lending. It was a good learning period and it will help me to my future career where I can start my career in the right position in the right place.

Internship program is part of MBA curriculum of Visveswaraya Technological University, Belagavi and this internship is to fulfill the gap between theory and practical knowledge along organization study.

The main objective of this internship program is to fulfill the gap between academics and corporate requirement along with organization study. It was a good experience in Karnataka Gramin Bank, Ramanagara. During this internship program I learnt many things regarding operations of the organization, learnt about work place environment and how to balance the personal life and professional life. Over all it was a great experience filled with lots of learning and joy.
