ACKNOWLEDGEMENT

It is with a great sense of pride and pleasure that, I humbly look back to acknowledge those who have been a source of encouragement in our entire endeavour.

It is with fathomless gratitude that I express my benevolent thanks to my guide Ar. Padmaja Mohanakrishnan, not only for her excellent guidance, unabated inspiration but also for her timely attention, continuous support and constant guidance towards the completion of my thesis work successfully.

I heartily thank my dear classmates and teaching staff for their valuable suggestions for the thesis. I am thankful to my family for their unflagging love and support throughout my thesis.

BIODIVERSITY RESEARCH INSTITUTE

AKILA S
1AA15AT005

The thesis topic is Biodiversity Research Institute located in Karnataka, India. The need for such a project is there because Karnataka does not have a dedicated research institute especially in the realm of forest and flora. The institute will focus in this discipline.

PADMAJA MOHANAKRISHNAN
