ACKNOWLEDGEMENT

The successful completion of this thesis would not have been possible without the valuable contributions of several individuals.

I am highly indebted to my thesis guides, Prof. Anjana V Biradar for her backing, support and guidance throughout the duration of the thesis.

I thank her for providing me with valuable inputs which helped me fulfil the requirements of the thesis.

I'd also like to express my gratitude to Prof. Kinjel Shah, Prof. Priyanka M, Prof. Neha Mahender, for their patience, wisdom, and guidance at times when I faced specific difficulties.

Further, I extend gratitude to Prof. Sheeraz Zaidi (HOD Architecture, A.N.R.V.S.A) for his support and encouragement. I'm grateful to the prxofessors and teaching staff of our department, for the knowledge they have imparted to me over the last four years.
