ACKNOWLEDGEMENTS

First and foremost, I have to thank all the personals who helped me in accomplishing my thesis project.

Most importantly my guide and advisor Ar. Neha Mahindrakar, the assistance and dedicated involvement in every step throughout the process this project would have never been accomplished,

And I wish to express my deepest gratitude to every teacher who thought me and supported over these past five years.

To Ar. Parul for being my advisor I whole heartedly thank her for the great advices on my study about the topic and users perspective analysis.

To the support and great love of all the people staying at Marikamba nagar slum. They kept me going on and this work would not have been possible without their inputs.

To my friends and family without their support throughout the journey, this project could not have reached its goal.
