DECLARATION

This thesis is a presentation of my original research work. Wherever contributions of others are involved, every effort has been made to indicate this clearly, with due reference to the literature and acknowledgement of collaborative research and discussions. The work was done under the guidance of Professor Pradipta Roy Choudhury, at the Acharya NRV School of Architecture, Bengaluru. I am aware of and understand the University's policy on plagiarism and I certify that this thesis is my own work, except where indicated by referencing, and the work presented in it has not been submitted in support of another degree or qualification from this or any other institute of learning.

ACKNOWLEDGEMENT

This project would not have been possible without the kind support and help of faculties, friends and college. I would like to extend my sincere thanks to all of them.

Special thanks to the Prof. Pradipta (Guide) and all other faculty memebers for their guidance and support through out the thesis project.

Last but not the least, I would like to thank my family and friends for their constant support and understanding during the course of this project.
