ACKNOWLEDGEMENT

I would like to extend my heartfelt gratitude to Prof. Madhan M who guided this project throughout the process with his valuable insights and inputs, and unwavering support. I would also like to thank the faculty and staff at Acharya NRV School of Architecture for the efforts they undertook to help me at every turn.

This project would not be possible without the love and support of my parents, cousins, and dear friends. For giving me hope, believing in me and helping me be a better person.

A special mention to Sunitha and Ranjini of the Catharsis Workshops for their invaluable inputs on Art and Therapy.

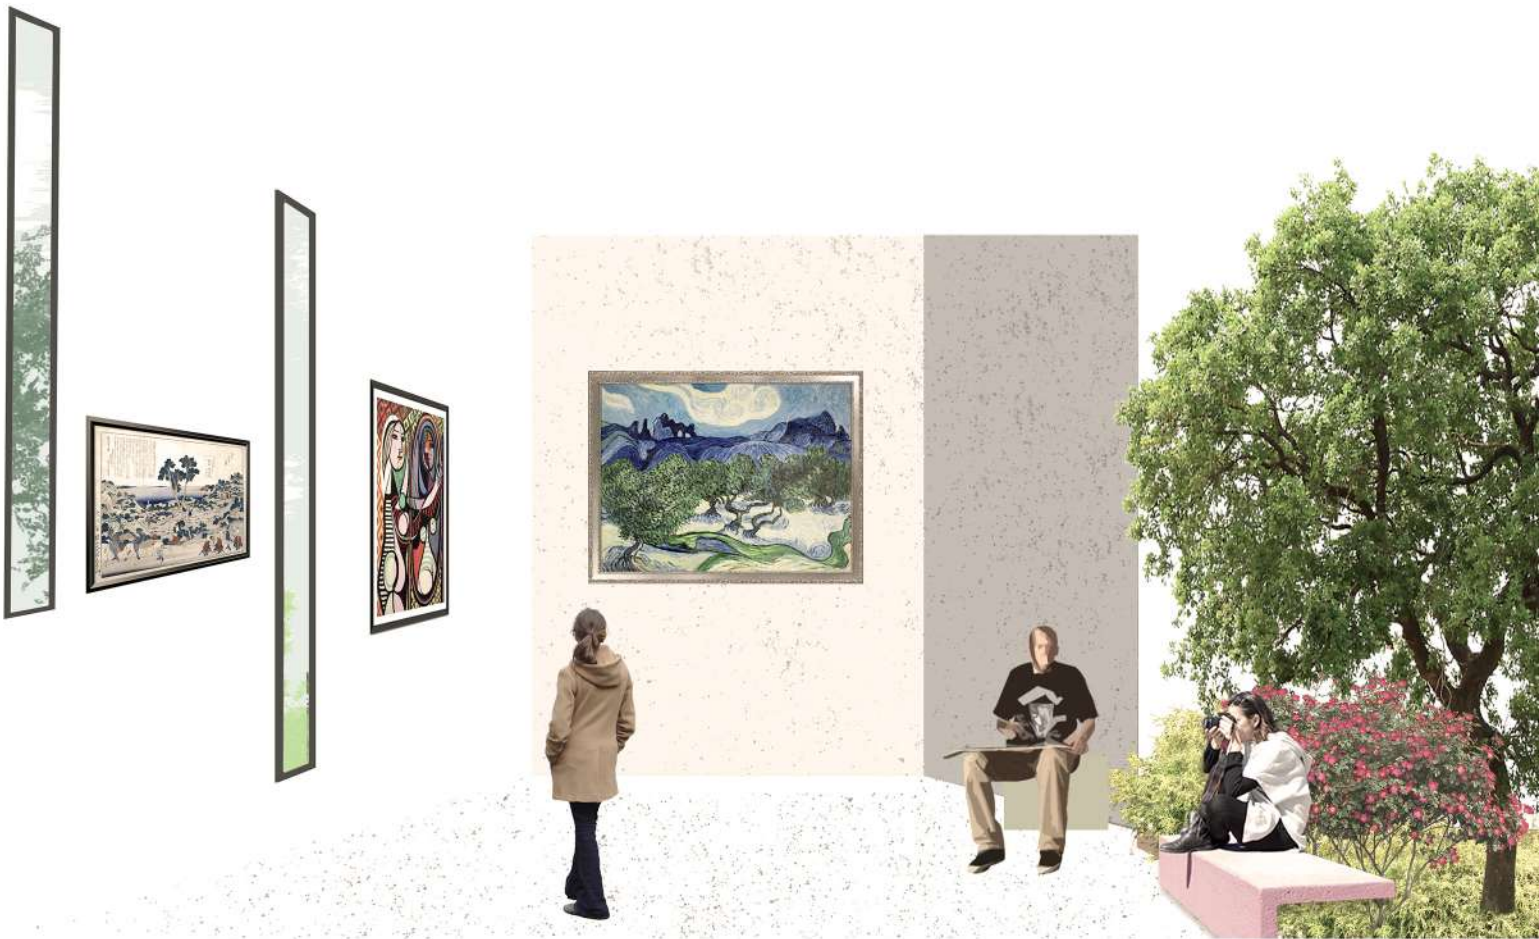

Lastly, I dedicate this project to everyone and anyone who believes that Art can heal your soul.
