ACKNOWLEDGEMENT

I would like to thank firstly my dearest mother, with her constant support and blessings, from my decision to join architecture till date.

I would like to convey my gratitude and appreciation to my Thesis Guide, Asst. Prof. Komalee Rao G, for guiding and supporting me throughout the course of the thesis semester. I would also lend my gratitude to the other faculty members who had helped and guided me during this semester and otherwise.

My sincere gratitude to my sister, who would help me out during my anxiety attacks.

To wrap up, a special thanks to Suchi, a close confidant and other close friends and colleagues.
