## **ACKNOWLEDGEMENT**

The successful completion of this project would not have been possible without the valuable contribution of several individuals.

I am highly indebted to my thesis guide Prof. Kusumanjali S for her backing, support and guidance throughout the duration of the thesis. I thank her for providing me with valuable inputs which helped me fulfil the requirements of the thesis.

Further, I extend gratitude to Prof. Sanjyot Shah (HOD Architecture) for his support and encouragement. I'm grateful to the professors and teaching staff of our department, for the knowledge they have imparted unto me.
