## ACKNOWLEDGEMENT

First and foremost I would like to offer my gratitude to my guide Ar. Manu M who has supported me throughout my thesis project with her patience and knowledge, giving me the room to work in my own ways . I thank her for her excellence guidance, care and patience and for providing me with an excellent atmosphere for conducting this research.

I would like to express my sincere appreciation and gratitude to Ar. Monica and Ar. Shruti for giving me the support and knowledge that was required.

I would like to thank our library staff for providing me all the valuable information and co-operation in the completion of my thesis successfully.

Last but not the least I would like to thank my family and friends for their constant support and understanding during the course of this project.

MADHUPARNA DUTTA
