Q.8	<p>CASE STUDY :</p> <p>Mr Rohit has just completed MBA from a reputed B-school and has been offered a job in an MNC with an attractive salary package. However, he has been in a dilemma as to whether to accept the offer or not. It has been a dream from childhood to start a business and become a successful entrepreneur. But, organizing the capital and running around for getting various mandatory clearances were the area of concern for him. His parents also tried to advise him to accept the offer and start a job in MNC. However he has been feeling from the day of his campus interview that he is been detained to do bigger things in life.</p> <p>After consulting the professors and successful entrepreneurs he decided not to accept the job offer and instead decided to venture into a business of his own. Consequently he started mini café with the USP of "Traditional and Homely Taste". Initially he could maintain the quality and price. But over the time Mr. Rohit realized that his profit started decreasing due to reduced volume of sales. This has been realized by Mr. Rohit and after some time started thinking of diversifying the business. Further, he has also understood that the main reason for reduced volume of sales as, very less number of barriers to enter into business.</p>			
	a. Does Mr. Rohit possess the major qualities required to become a successful entrepreneur?	10	L3	CO3
	b. What strategies should Mr. Rohit adopt to sustain his business in the competitive market?	10	L5	CO4
