ACKNOWLEDGEMENT

I am honored to express my deepest appreciation and gratitude for the exceptional guidance and support provided by AR. SANJYOT SHAH and AR. NEHA SAHAY throughout my architecture thesis project. Your invaluable feedback and constructive criticism have been instrumental in shaping my work and refining my ideas. I am particularly grateful for your patience, availability, and willingness to assist me whenever I had any doubts or questions.

Your extensive experience and knowledge in the subject matter have been truly inspiring, and your enthusiasm for research has motivated me to strive for excellence. Your insightful suggestions and comments have challenged me to think deeply and critically about my research and have enabled me to develop a deeper understanding of the subject matter. Your unwavering encouragement and positive attitude have been crucial in keeping me motivated and focused on my work. I am grateful for the many ways in which you have supported me, including your rigorous approach to research, your attention to detail, and your dedication to helping me achieve my academic goals. I consider myself fortunate to have had the opportunity to work under your guidance and mentorship.
