ACKNOWLEDGEMENT

I want to express my sincere appreciation to several individuals who played an essential role in helping me complete my architecture thesis successfully.

I would like to offer my heartfelt appreciation to my distinguished thesis supervisor, Ar. Abhilasha, for their outstanding guidance, invaluable support, and unwavering motivation throughout the thesis process. Their instrumental role played a crucial part in my academic accomplishment. Their invaluable insights and constructive feedback helped me refine my ideas and achieve my objectives.

Furthermore, I am deeply thankful to my parents, whose unwavering love, support, and guidance have been pivotal in shaping me into the person I am today. Their support and sacrifices during my academic journey have played a significant role in my achievements.

Lastly, I would like to extend my sincerest thanks to all those who have supported and assisted me throughout my academic journey. I am deeply thankful for your consistent support, and your contributions have been of immense value to me. I will forever be grateful for your unwavering assistance.

TABLE OF CONTENTS

CHAPTER

1. SYNOPSIS

- 1.1. Aim
- 1.2. Objective
- 1.3. Motivation
- 1.4. Project justification
- 1.5. Design methodology

2. INTRODUCTION
