## ACKNOWLEDGEMENT

These few words of gratitude cannot in any way completely describe my deeply felt indebtedness to the people involved in the successful completion of this project.

I would like to thank my thesis guide Prof. Gracy Hepzibah David, Acharya's NRV School of Architecture, Bengaluru, for her guidance, support, motivation and encouragement throughout the period during which project has been carried out. Her readiness for consultation at all times, her educative comments, her concern and assistance inclusive of her practical knowledge have been invaluable.

I would like to extend my sincere thanks to the Principal, Prof. Sanjyoth and other faculties of Acharya's NRV School of Architecture for giving me the necessary feedbacks and positive criticism during the panel reviews throughout the project duration.

I'm also grateful to the people who were working in the building, that I chose for case study visits for taking time out and showing the place, as well as giving me inputs to make my design better.

This acknowledgement wouldn't be complete if I did not thank my parents for their constant support, encouragement, and help throughout my project.

Thank you all.
