ACKNOWLEDGEMENT

I would like to express my deepest gratitude to my dedicated thesis advisor, Ar. Pavithra T, your guidance and insightful feedback have been invaluable. Thank you for steering me through the complexities of this project with patience and wisdom. A heartfelt thank you to the passionate staff and volunteers at animal rescue center , whose commitment to the well-being of our furry friends inspired and informed every design choice. I am indebted to my friends and family for their unwavering support and understanding during the countless hours spent sketching, drafting, and refining. Your encouragement fueled my determination. Lastly, to the animals themselves our silent companions who teach us empathy and resilience this project is dedicated to creating a haven where their stories find hope and happiness.
