DECLARATION

This thesis title “Learning and Skill Development Center for the Visually Impaired”, submitted in partial fulfillment of the requirement for the award of the under graduate of Bachelor of architecture is my original work to the best of my knowledge.

The sources for the various information and the data used have been duly acknowledged.

The work has not been submitted or provided to any other institution/ organization for any diploma/degree or any other purpose.

I take full responsibility for the content in this report and in the event of any conflict or dispute if any, hereby indemnify Acharya’s NRV School of Architecture and Visveshwaraya Technological University, Belagavi and its official representatives against any damages that may arise thereof.

Poornima Halli

1AA19AT041

ACKNOWLEDGEMENT

I would like to express gratitude for the guidance, endured encouragement, criticism, advice & continued interest shown throughout this project by my thesis guide

Prof. Ar. Sanjyot Shah, without whose help this project would not have been successful.

Thank you to all my friends & peers for their support, inputs & encouragement throughout the process.

And finally, I would like to thank my parents for believing in me & supporting me at my best & worst.
