ACKNOWLEDGEMENT

I would like to express my deepest gratitude to my deepest gratitude to principal of Acharya's NRV School of Architecture, Prof. Ar. Sanjyot Shah and, my thesis guide, AR. Harsha for the unwavering support, invaluable guidance, and constructive feedback throughout the entire process of researching and writing this thesis. Their expertise and insightful input significantly contributed to developing and refining my ideas.

I extend my heartfelt thanks to my family for their boundless encouragement belief in my abilities. Their unwavering support has been a pillar of strength throughout this journey.

Finally, I am grateful to my friends who provided moral support, valuable insights, and constructive critiques. Their camaraderie and shared passion for architecture have been a source of motivation.

Thank you all for being part of this journey.

Sincerely

Rakshitha G

DECLARATION

This thesis title “CULTIVATING CONNECTIONS”, submitted in partial fulfillment of the requirement for the award of the under graduate of Bachelor of architecture is my original work to the best of my knowledge. The sources for the various information and the data used have been duly acknowledged.

The work has not been submitted or provided to any other institution/ organization for any diploma/degree or any other purpose.

I take full responsibility for the content in this report and in the event of any conflict or dispute if any, hereby indemnify Acharya’s NRV School of Architecture and Visveswaraya Technological University, Belagavi, and its official representatives against any damages that any raise thereof.

Rakshitha G
