ACKNOWLEDGEMENT

I would like to express my deepest gratitude to the people who have supported and guided me during my Architecture Undergraduate Thesis project. First and foremost, I would like to thank my thesis advisor, Ar. Abhilasha, for their unwavering support, encouragement, and constructive feedback. Their guidance has been invaluable, and I am grateful for the time and effort they have invested in my project. I would also like to extend my thanks to Ar. Sanjyot Shah, Principal of the institution, for providing a conducive academic environment that nurtured my skills and contributed to the success of my project. Additionally, I would like to acknowledge the support of my family who have provided me with emotional support and encouragement throughout this challenging process. I am grateful for their patience, understanding, and motivation. Finally, I would like to express my appreciation to all my friends who have helped me in any way during this project and my architectural college life. Your contribution has been valuable, and I am thankful for your assistance.
