ACKNOWLEDGEMENT

I would like to express my deepest gratitude to my thesis guide, AR. Harsha for the unwavering support, invaluable guidance, and constructive feedback throughout the entire process of researching and writing this thesis. Their expertise and insightful input significantly contributed to developing and refining my ideas.

I extend my heartfelt thanks to my family for their boundless encouragement and belief in my abilities. Their unwavering support has been a pillar of strength throughout this journey.

Finally, I am grateful to my friends who provided moral support, valuable insights, and constructive critiques. Their camaraderie and shared passion for architecture have been a source of motivation.

Thank you all for being part of this journey.
