Read the following comprehension / passage carefully and answer the questions that follow :

A sanctuary may be defined as a place where man is passive and the rest of nature active. Till quire recently Nature had her own sanctuaries, where man either did not go at all or only as a tool – using animal in comparatively small numbers. But now, in this machinery age, there is no place left where man cannot go with overwhelming forces at his command. He can strangle to death all the nobler wild life in the world today. Tomorrow, he will have certainly done so, unless he exercises due foresight and self – control in the mean time. There is not the slightest doubt that birds and mammals are now being killed off much faster than they can breed. And it is always the largest and noblest forms of life that suffer most. The whales and elephants , lions and eagles go. The rats and flies and all parasites, remain. This is inevitable in certain cases. But it is wanton killing off that I am speaking of civilized man beings by destroying the very forms of wild life he learns to appreciate most when he becomes still more civilized
