## **ACKNOWLEDGEMENT**

I would like to extend my heartfelt appreciation to my thesis advisor, AR. Harsha, for their steadfast support, invaluable insights, and constructive critiques throughout the entire thesis journey. Their expertise and thoughtful feedback have been instrumental in shaping and enhancing my ideas. I am also profoundly grateful to my family for their unwavering encouragement and belief in my capabilities. Their constant support has been a vital source of strength during this endeavor. Lastly, I wish to thank my friends who provided moral support, insightful perspectives, and constructive feedback. Their companionship and shared enthusiasm for architecture have greatly motivated me. Thank you all for being integral to this journey.
