ACKNOWLEDGEMENT

I'd like to express my heartfelt appreciation to everyone who helped me finish my architecture thesis. First and foremost, I would like to express my heartfelt gratitude to my thesis guide, Ar. Kusumanjali S for her invaluable guidance, constant encouragement, and insightful feedback throughout the entire research process. The advice and encouragement were crucial in shaping the course of this thesis. I am also grateful to the faculty members of Acharya's NRV School of Architecture for their valuable input and assistance in improving the quality of this work. I appreciate my friends and family's support. I am truly grateful to everyone who has played a role in supporting me on this journey. This thesis is a testament to the power of collaboration and the importance of community. I am excited to see how this research can be used to bridge the divide and create a more equitable and inclusive world.
